

CCA-CFA Fifth Grade Summer Reading Choices

Our approach to summer reading is designed to help inspire a love for reading. Rising fourth-grade students may select a book or books from their grade level list to read, or they can choose a book in a genre that interests them at their Zone of Proximal Development (ZPD) range (found on the Star Reading Parent Report in the end of year packet) as long as it is approved by their teacher; visit <https://www.arbookfind.com> for more information about books in your child's ZPD range.
