

# Cornerstone Charter Academy

## Volleyball Clinic

Open to all Cornerstone Charter Academy 4<sup>th</sup>-8<sup>th</sup> grade students

Dates: Wednesday, April 9th

Wednesday, April 23<sup>rd</sup>

Wednesday, April 30<sup>th</sup> (\* competition date)

Cost: \$60

Times: 3:30-5:30 each session

The purpose of these clinics is to develop technique and skill for beginning to intermediate players. Participants will be divided by age, skill level and experience. Instruction will focus on skill development in the areas of passing, setting, serving and attacking. Participants will also gain an understanding of positional play and offensive/defensive strategies used in volleyball. A variety of drills, games and competition will be used to put these skills and strategies into a positive experience. Our CCA clinics will create a positive atmosphere for aspiring young players to learn and improve skill, as well as emphasizing the importance of teamwork and sportsmanship.

Students that plan to attend are welcome to stay after school until start time. Students are encouraged to bring a change of clothes, athletic shoes, knee pads, water and a light snack to have before clinics begin. Clinic participants should be picked up at 5:30.

Students participating in a Cornerstone Spring sport will not be allowed to attend these clinics. To ensure adequate instruction, we are limiting these clinics to 40 participants.

Please return the below registration form and payment, \$60, to Coach Tew. Checks should be made payable to Cornerstone Charter Academy. If you should have questions, please email Coach Tew, [jtew@cornerstonek12.org](mailto:jtew@cornerstonek12.org).
