Policy Title	Parent Relationship Policy		
Policy Code			
Adopted	February 21, 2013		
Revised	March 20, 2025		

Cornerstone Charter Academy welcomes parents into its building and will foster a culture of collaboration with parents through the following means:

- Parents will be members of the Board of Directors
- The Board of Directors will have parents as members of all of its committees.
- The Board of Directors, school administration, and staff will work with the PTO to support parent programs and initiatives that fulfill the PTO's mission.
- School staff will provide regular communication with families to inform them of opportunities and activities which foster involvement in the school.
- Official school activities, even when run by parents, must be approved by school administration, operate under school supervision, and abide by all school rules.
- When appropriate, school staff will consider parent feedback when making decisions.

Parents who believe school administration is not abiding by this policy should follow the parent grievance policy.
